Join us for
Hot Topics
IN PEDIATRICS

Disney’s Contemporary Resort at the Walt Disney World® Resort
Lake Buena Vista, Florida
Our second annual *Hot Topics in Pediatrics* conference, held July 27-30, 2016 at Disney’s Contemporary Resort in the Walt Disney World® Resort in Lake Buena Vista, Florida, will feature national leaders in the field of pediatrics discussing some of the hottest and most controversial topics for providers caring for children, with a focus on the primary care setting. From controversies to hands-on educational offerings, *Hot Topics in Pediatrics* will help you to stay current with the important issues of our times and implement strategies for practice change.

Topics including sleep issues, chronic fatigue, genomics, screenings, allergy, dermatology, food sensitivities, constipation, screening for STIs, (and many more), will be presented in brief (20-30) minute presentations by a topic expert, with plenty of time for one-to-one discussion with speakers, and a whole day of case-based teaching and learning.

**NEW THIS YEAR**

- Application has been made for MOC Part 2 Lifelong Learning Self-Assessment Credit for this conference.
- Nemours is accredited by the Florida Board of Nursing to offer nursing contact hours (Provider #50-1428) Application for nursing contact hours will be made to the Florida Board of Nursing.
- *Hot Topics in Pediatrics* has been approved by the American Academy of Family Physicians for Prescribed credits. Please see the accreditation section of this brochure for details.

As applications are approved, our website (www.HotTopicsinPediatrics.org) will be updated.

A conference has never been so much fun! Staying at the Walt Disney World® Resort gives you plenty of time to learn, relax and enjoy theme park fun in sunny Florida with your family and friends.

We hope that you will be able to join us for *Hot Topics in Pediatrics*!

**PROGRAM CHAIRS**

Elise Fallucco, MD  
Shiva Kalidindi, MD, MPH, MS (Ed.)  
Jessica Tomaszewski, MD, FAAP  
Robert S. Walter, MD, FAAP

**Objectives**

At the conclusion of this program, participants should be able to develop a differential diagnosis for, assess and manage clinical issues that occur in the primary care office, including:

- Develop a differential diagnosis for the child presenting with growth problems, utilizing appropriate screening tools.
- Recognize common and uncommon presentations of pediatric dermatological diseases/conditions.
- Develop a transition plan for the patient with chronic or complex medical condition moving from pediatric to adult care providers.
- Screen appropriately for STIs.
- Choose antibiotics appropriately for patients that present with infections.
- Implement a strategy for patients/families who refuse vaccines.
- Recognize emerging infections when they appear in your practice.
THURSDAY – July 28, 2016

7 a.m.  Breakfast/registration/exhibits

TESTING  Moderator – Jessica Tomaszewski, MD, FAAP

7:30 a.m.  Genomics and General Pediatrics:  How can they work together in practice? – Pamela H. Am, MD

8:00 a.m.  Screening for Growth Problems, Indications for Growth Hormone – Matthew R. Benson, MD, FAAP

8:30 a.m.  Kids Get Arthritis and Lupus Too, But Please Don’t Order an ANA – Terri H. Finkel, MD, PhD

9:00 a.m.  Updates on Peanut Allergy for the Pediatric Practice – Jordan Smallwood, MD

9:30 a.m.  Q and A

9:55 a.m.  Break/Exhibits

PEDIATRIC PEARLS  Moderator – Robert S. Walter, MD, FAAP

10:10 a.m.  Constipation:  Frustrating But Treatable – Carlo Di Lorenzo, MD

10:50 a.m.  Voiding Dysfunction – Michael J. Erhard, MD

11:20 a.m.  The All You Can’t Eat Buffet – Carlo Di Lorenzo, MD

Noon  Q and A

1:15 p.m.  Concurrent Sessions

A.  Office Procedures (Simulation-Based) – Shiva Kalidindi, MD, MPH, MS (Ed.); Michael E. Kirk, EMTP; Thomas Lacy, MD; limit 15

B.  Suture and Acute Wound Care Workshop – (Simulation-Based) – Kevin Brito, EMT-P, CICP; limit 15

C.  Behavioral/Mental Health Roundtable:  Ask the Experts – Elise Fallucco, MD, Peggy Greco, PhD

D.  Physician Wellness/Avoiding Burnout Workshop – Julie L. Wei, MD

2:15 p.m.  Adjourn

SATURDAY – July 30, 2016

7 a.m.  Breakfast/registration/exhibits

ADOLESCENT MEDICINE  Moderator – Elise Fallucco, MD, Moderator

7:30 a.m.  High Functioning Autism in Adolescence – Yr Sigurdardottir, MD

8:00 a.m.  Primary Care Issues Caring for LGBTQa – Nadia Dowshen, MD

8:30 a.m.  Transitioning from Pediatrics:  Resources and Supports – Cory Ellen Novick, MSS, MLSP

9:00 a.m.  Screening for STIs – Nadia Dowshen, MD

9:30 a.m.  Q and A

10:00 a.m.  Break/exhibits

INFECTIOUS DISEASE  Moderator – Shiva Kalidindi, MD, MPH, MS (Ed.)

10:20 a.m.  Antibiotic Choices – Kenneth A. Alexander, MD, PhD

10:50 a.m.  Emerging Infections – Kenneth A. Alexander, MD, PhD

11:20 a.m.  Vaccine Refusal – Kenneth A. Alexander, MD, PhD

11:50 a.m.  Q and A

12:20 p.m.  Lunch for those who are staying for concurrent session/Opportunity to chat with morning faculty/Exhibits

12:50 p.m.  Concurrent Sessions

A.  Office Procedures (Simulation-Based) – Shiva Kalidindi, MD, MPH, MS (Ed.); Michael E. Kirk, EMTP; Thomas Lacy, MD; limit 15

B.  Suture and Acute Wound Care Workshop – (Simulation-Based) – Kevin Brito, EMT-P, CICP; limit 15

C.  Behavioral/Mental Health Roundtable:  Ask the Experts – Elise Fallucco, MD, Peggy Greco, PhD

D.  Physician Wellness/Avoiding Burnout Workshop – Julie L. Wei, MD

2:15 p.m.  Adjourn
GENERAL INFORMATION

Accreditation
Nemours is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nemours designates this live activity for a maximum of 22.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This Live activity, Hot Topics in Pediatrics, with a beginning date of 07/27/2016, has been reviewed and is acceptable for up to 22.25 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC) Credit
We have applied for MOC Part 2 Lifelong Learning Self-Assessment Credit from the American Board of Pediatrics for the Wednesday, Thursday and Friday sessions of Hot Topics in Pediatrics. When final approval is received from the ABP, it will be posted on our website, www.hottopicsinpediatrics.org

In addition, Saturday will include a number of cases that are part of the American Board of Pediatrics Question of the Week (QOW) series. Attendees can sign onto the ABP website at their leisure, answer the questions for each case discussed, and be well on their way to completing the 25 QOW vignettes that are necessary to add 10 more MOC points to their transcript.

Commercial Support
This course may be supported in part by educational grants in accordance with ACCME Standards. At the time of this printing, a list of commercial supporters was not available. Appropriate acknowledgement will be given to all exhibitors and supporters in conference materials and at the time of the meeting.

Disclosure Policy
As a provider accredited by the ACCME, Nemours must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty involved in the development of CME content are required to disclose to Nemours their relevant financial relationships. An individual has a relevant financial relationship if he/she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. Nemours has policies in place to resolve potential financial conflicts of interest. Relevant financial relationships will be disclosed to the activity audience.

Americans with Disabilities Act
In accordance with the Americans with Disabilities Act, Nemours will provide modifications in teaching methodologies to accommodate individual needs. To request disability accommodations, contact the Office of Continuing Medical Education at least 15 days in advance of the program at 302-651-6750.

Registration
Advance registration is required and should be received by July 1, 2016. All registrations received by this date will be confirmed by mail.

Fees
The conference registration fee is $600 for physicians, $500 for nurses and allied health professionals and $295 for students and residents with a letter from their program director. This fee includes all course materials, continental breakfast and refreshments at breaks. There is an additional fee of $50 per day for those choosing to take part in the afternoon concurrent sessions. This fee includes any additional course materials, and a box lunch.

Refunds
A refund less a $100 processing fee will be given for WRITTEN cancellations received before July 1, 2016. No refunds will be given after this date. The hospital is not responsible for any cancellation or change fees assessed by hotels, airlines or travel agencies.

Hotel Information
A block of rooms has been reserved at Disney’s Contemporary Resort at the Walt Disney World Resort. This ultra-modern hotel has award-winning dining, white-sand beaches, spectacular views and dazzling pools. You can walk to the Magic Kingdom Main Gate, or catch the Resort Monorail as it breezes through the tower.

- beautifully appointed rooms and incredible swimming pools highlight this luxury hotel experience.
- complimentary scheduled transportation to all Walt Disney World® Resort theme parks
- complimentary luggage service directly from the airplane to your hotel room.

Single or double rooms are available at the conference rate of $219 per night (plus tax.) Hotel reservations must be made through the Walt Disney World® Resort, 407-934-3372. Please mention Nemours and the name of the conference (Hot Topics in Pediatrics) to obtain the group discount. You may also make your hotel reservation through our website, www.hottopicsinpediatrics.org.

The deadline for hotel reservations is June 24, 2016. However, the hotel may fill well before the deadline, so please reserve early.

Discount Disney Tickets
Information on specially priced tickets to the Walt Disney World® Resort Theme Parks are available through our website – www.hottopicsinpediatrics.org.

Transportation
Disney’s Magical Express® Transportation, a complimentary shuttle and luggage delivery service, will take you from the airport directly to your Walt Disney World® Resort hotel. Please call 407-827-6777 to book your Disney’s Magical Express® Transportation reservation.

To ensure seamless service, please make your Disney’s Magical Express® Transportation reservation at least 30 days in advance of your arrival date.

Co-Chair, Nemours Education Committee – Florida  
Nemours Children’s Specialty Care  
Jacksonville, Florida

**OPTIONAL CONCURRENT SESSIONS**

We hope that you will be able to join us for some of our concurrent sessions. You may only attend one concurrent session per day. There is an additional fee of $50 for each concurrent session, which includes a box lunch and educational materials associated with the session. Please see our website (www.hottopicsinpediatrics.org) for complete session descriptions.

**Office Procedures**

Learn how to perform and bill for minor office procedures. This workshop will consist of hands-on practice of several minor office procedures, including foreign body removal, nail trephination, molluscum removal and splinting. You will review your preparedness in case of office emergencies, using high fidelity simulation.

**Suture and Acute Wound Care Workshop**

Learn how to perform and bill for minor procedures performed in the primary care setting. This workshop will consist of laceration repair, incision and drainage of cutaneous abscesses, removal of closure devices and wound packing.

**Behavioral/Mental Health Roundtable: Ask the Experts**

Participate in an interactive discussion on managing mental health issues within your practice. This roundtable will provide an overview of helpful tools you can utilize to screen for mental health issues; guidelines for prescribing psychiatric medication, and behavioral and family-based strategies and resources you can recommend.

**Physician Wellness/Avoiding Burnout Workshop**

Burnout now affects over 50% of all physicians, with significant negative impact to the quality and safety of the care provided to patients. More importantly, personal and professional dysfunction occurs when physicians experience high degree of burnout without effective strategies to manage and minimize burnout. Strategies will be shared to help attendees increase capacity and resilience, and love being a physician despite all the challenges we face.
