Hot Topics in Pediatrics

July 30 – August 1, 2020

Disney’s Grand Floridian Resort & Spa at the Walt Disney World® Resort
Lake Buena Vista, Florida
Our sixth annual Hot Topics in Pediatrics conference will be held July 30 - August 1 at Disney’s Grand Floridian Resort & Spa at the Walt Disney World® Resort in Lake Buena Vista, Florida. The conference will feature national leaders in the field of pediatrics discussing some of the hottest and most controversial topics for providers caring for children in the primary care setting. From controversies to interactive educational offerings, Hot Topics in Pediatrics will help you to stay current with the important issues of our times and implement strategies for practice change.

Topics will be presented in brief (20-30) minute talks by a topic expert. There will be plenty of time for one-to-one discussion with speakers and opportunities for case-based learning.

Topics include:
- Learning disabilities
- Headaches
- Primary care for post NICU babies
- Breastfeeding
- Ophthalmologic emergencies
- ENT pearls for primary care
- Transgender care
- STDs/PrEP
- Understanding LGBTQIA youth
- Voiding dysfunction
- Bugs and drugs
- Joint pain
- Flu
- Chest wall deformities
- Neurology tips and tricks
- Executive functioning in children with ADHD
- Picky eaters
- Reflux
- and more . . .

Again This Year
- An opportunity to earn MOC points in the American Board of Pediatrics (ABP) Maintenance of Certification program.
- Nemours is accredited by the Florida Board of Nursing to offer nursing contact hours (Provider #50-1428.). Application to offer nursing contact hours will be made.
- Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

As applications are approved, our website (www.HotTopicsinPediatrics.org) will be updated.

A conference has never been so much fun! Staying at the Walt Disney World® Resort gives you plenty of time to learn, relax and enjoy theme park fun in sunny Florida with your family and friends.

We hope you will be able to join us for Hot Topics in Pediatrics!

Program Chairs
Shiva Kalidindi, MD, MPH, MS (Ed.), FAAP  Jessica Tomaszewski, MD, FAAP  Robert S. Walter, MD, FAAP

Objectives
At the conclusion of this program, participants should be able to develop a differential diagnosis for, assess and manage clinical issues that occur in the primary care office, including:
- Recognize psychological challenges and reproductive concerns often seen in youth who identify as gender nonbinary/transgender.
- Identify patients at high risk for HIV transmission and implement PrEP as HIV prevention.
- Develop a differential diagnosis and management plan for the child presenting with intractable headache.
- Determine appropriate antibiotics based on microbiology and pharmacology.
- Analyze causes of voiding dysfunction and determine appropriate management strategies.
- Identify commonly missed musculoskeletal conditions.
- Evaluate dyslexia and learning disabilities.
- Help parents to develop a plan to feed very picky eaters.
- Evaluate and make treatment plans for children with executive functioning deficits.
- Recognize commonly held misconceptions about breastfeeding.
- Learn and apply specific history and physical techniques for the range of pediatric neurologic conditions.
- Optimize the recognition and prevention of common problems at a teenage well visit.

Hot Topics IN PEDIATRICS

PROGRAM CHAIRS / MODERATORS

Shiva Kalidindi, MD, MPH, MS (Ed.), FAAP
Associate Professor of Pediatrics
Medical Director
Nemours Institute for Clinical Excellence – Florida
Nemours Children’s Hospital
Orlando, Florida

Jessica Tomaszewski, MD, FAAP
Clinical Associate Professor of Pediatrics
Sidney Kimmel Medical College at Thomas Jefferson University
Hospitalist, General Pediatrics
Nemours/Alfred I. duPont Hospital for Children
Wilmington, Delaware

Robert S. Walter, MD, FAAP
Clinical Associate Professor of Pediatrics
Sidney Kimmel Medical College at Thomas Jefferson University
Community Pediatrician
Wilmington, Delaware

CHAIR EMERITUS

Jay S. Greenspan, MD, MBA
Professor of Pediatrics
Sidney Kimmel Medical College at Thomas Jefferson University
Chief Executive of Operations
Nemours Delaware Valley
Wilmington, Delaware

FACULTY

Colleen C. Cullinan, PhD
Pediatric Psychologist
Division of Behavioral Health
Nemours/Alfred I. duPont Hospital for Children
Wilmington, Delaware

Carlo Di Lorenzo, MD
Professor of Pediatrics
The Ohio State University
Chief, Division of Pediatric Gastroenterology
Nationwide Children’s Hospital
Columbus, Ohio

Marc DiSabella, DO
Assistant Professor of Pediatrics
and Child Neurology
George Washington University School of Medicine & Health Sciences
Program Director, Child Neurology Fellowship
Director, Headache Program
Medical Director, Neurology Education
Children’s National Hospital
Washington, D.C.

Pamela Ellsworth, MD
Professor of Urology
University of Central Florida College of Medicine
Division Chief, Pediatric Urology
Nemours Children’s Hospital
Orlando, Florida

Lonna P. Gordon, MD, PharmD
Assistant Professor of Pediatrics
University of Central Florida College of Medicine
Associate Chief, Adolescent Medicine
Nemours Children’s Hospital
Orlando, Florida

Andre Hebra, MD
Professor of Surgery
University of Central Florida College of Medicine
Chief Medical Officer
Nemours Children’s Hospital
Orlando, Florida

Shiva Kalidindi, MD, MPH, MS (Ed.), FAAP
Associate Professor of Pediatrics
University of Central Florida
Medical Director
Nemours Institute for Clinical Excellence – Florida
Associate Director – Education
Pediatric Emergency Medicine
Nemours Children’s Hospital
Orlando, Florida

John F. Lovejoy, III, MD
Associate Professor
University of Central Florida School of Medicine
Chair, Department of Orthopaedics, Sports Medicine and Physical Medicine and Rehabilitation
Nemours Children’s Hospital
Orlando, Florida

William G. McNett, MD
Clinical Associate Professor of Pediatrics
Sidney Kimmel Medical College at Thomas Jefferson University
Chief, Primary Care Pennsylvania
Nemours
Philadelphia, Pennsylvania

Neil Rellosta, MD
HIV Program Director/Attending Physician
Division of Infectious Diseases
Nemours/Alfred I. duPont Hospital for Children
Wilmington, Delaware

Sara R. Slovin, MD, MSPH, FAAP
Clinical Assistant Professor of Pediatrics
Sidney Kimmel Medical College at Thomas Jefferson University
Physician-In-Charge, Nemours duPont Pediatrics, Rockland Road
Physician Informatics Specialist
Nemours/Alfred I. duPont Hospital for Children
Wilmington, Delaware

Professor of Pediatrics
University of Central Florida
Division Chief, Rheumatology
Nemours Children’s Hospital
Orlando, Florida

Kelly Hodson Unkrich, MD
Pediatric Ophthalmologist
Nemours Children’s Specialty Care
Chair, Department of Ophthalmology
Wolfson Children’s Hospital
Jacksonville, Florida

Robert S. Walter, MD, FAAP
Clinical Associate Professor of Pediatrics
Sidney Kimmel Medical College at Thomas Jefferson University
Community Pediatrician
Wilmington, Delaware

Julie L. Wei, MD
Professor, Otolaryngology Head Neck Surgery
University of Central Florida, College of Medicine
Division Chief ENT/Audiology
Nemours Children’s Hospital
Chair, NCIH Resident/Faculty Wellbeing Program
Chair, Otolaryngology Education
Orlando, Florida
GENERAL INFORMATION

Accreditation
Nemours is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nemours designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Hotel Information
A block of rooms has been reserved at Disney’s Grand Floridian Resort & Spa at the Walt Disney World® Resort. Victorian elegance meets modern sophistication at this lavish Disney Resort hotel. Relax in the sumptuous lobby as the live orchestra plays ragtime, jazz and popular Disney tunes. Unwind outdoors, indulge in a luxurious massage and watch evening fireworks light up the sky over Cinderella Castle. Just one stop to Magic Kingdom® Park on the complimentary Resort Monorail, this timeless Victorian-style marvel evokes Palm Beach’s golden era.

- Beautifully appointed rooms and incredible swimming pools highlight this luxury hotel experience.
- Complimentary scheduled transportation to all Walt Disney World® Resort theme parks.
- Complimentary luggage service directly from the airplane to your hotel room is available through Disney’s Magical Express® Transportation.

Single or double rooms are available at the conference rate of $260 per night (plus tax.) A great rate for one of Disney’s most lavish resorts! Hotel reservations may be made through our website, www.hottopicsinpediatrics.org or by calling the Walt Disney World® Resort, (407) 939-4686. Please mention Nemours and the name of the conference (Hot Topics in Pediatrics) to obtain the group discount.

The deadline for hotel reservations is June 28, 2020. However, the hotel may fill well before the deadline, so please reserve early. (If you prefer to reserve a room at a different Walt Disney World® Resort hotel, you can also do that through the phone number above.)

Commercial Support
This course may be supported in part by educational grants in accordance with ACCME Standards. At the time of this printing, a list of commercial supporters was not available. Appropriate acknowledgement will be given to all exhibitors and supporters in conference materials and at the time of the meeting.

Disclosure Policy
As a provider accredited by the ACCME, Nemours must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty involved in the development of CME content are required to disclose to Nemours their relevant financial relationships. An individual has a relevant financial relationship if he/she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. Nemours has policies in place to resolve potential financial conflicts of interest. Relevant financial relationships will be disclosed to the activity audience.

Americans with Disabilities Act
In accordance with the Americans with Disabilities Act, Nemours will provide modifications in teaching methodologies to accommodate individual needs. To request disability accommodations, contact the Office of Continuing Medical Education at least 15 days in advance of the program at (302) 651-6750.

Registration
Advance registration is required and should be received by July 1, 2020. All registrations received by this date will be confirmed by e-mail.

Fees
The registration fee is $600 for physicians, $500 for nurses and allied health professionals and $375 for students and residents with a letter from their program director. This fee includes all course materials, continental breakfast and refreshments at breaks. A $50 discount will be offered for online registrations received before April 1. This discount only applies to registrations through our websites, www.hottopicsinpediatrics.org and www.PedsUniversity.org.

Refunds
A refund, less a $100 processing fee, will be given for WRITTEN cancellations received before July 1, 2020. No refunds will be given after this date. The hospital is not responsible for any cancellation or change fees assessed by hotels, airlines or travel agencies.
