Hot Topics IN PEDIATRICS

July 22–24, 2021
Disney’s Grand Floridian Resort and Spa at the Walt Disney World® Resort
Lake Buena Vista, Florida

Nemours. Children’s Health System
We salute the hard work and sacrifice of all of our primary care pediatric caregivers during the pandemic and we cannot wait to see you in Walt Disney World® for our sixth annual conference which will be held July 22–24, 2021 at Disney’s Grand Floridian Resort and Spa in the Walt Disney World® Resort in Lake Buena Vista, Florida. This year we will continue to feature national leaders in the field of pediatrics, including many of our all-stars from previous years, for discussions on some of the hottest and most useful topics for pediatric providers in primary care. From controversies to interactive educational offerings, Hot Topics in Pediatrics will help you stay current with today's important issues and implement strategies for practice change.

Topics include:

- headache/migraine care
- transgender care
- pandemic overview – what now?
- pediatric anxiety/stress in pandemic
- regurgitation and reflux 2021
- myths in GI
- bugs and drugs
- ENT pearls for primary care
- orthopedics: don’t miss this!
- pediatricians on social media
- understanding LGBTQ youth
- neurology tips and tricks
- ophthalmology emergencies
- picky eaters
- optimizing breastfeeding
- voiding dysfunction
- learning disabilities
- and more...

Featured Again This Year

- An opportunity to earn MOC points in the American Board of Pediatrics (ABP) Maintenance of Certification program.
- Nemours is accredited by the Florida Board of Nursing to offer nursing contact hours (Provider #50-1428.) Application to offer nursing contact hours will be made.
- Application made to the American Academy of Family Physicians for prescribed credits for this conference.

As applications are approved, our website (www.HotTopicsinPediatrics.org) will be updated.

Objectives

At the conclusion of this program, participants should be able to develop a differential diagnosis for, assess and manage clinical issues that occur in the primary care office, including:

- Recognize psychological challenges and reproductive concerns often seen in youth who identify as gender non-binary/transgender.
- Identify patients at high risk for HIV transmission and implement PrEP as HIV prevention.
- Develop a differential diagnosis and management plan for the child presenting with intractable headaches.
- Describe latest management strategies for gastroesophageal reflux.
- Identify primary care changes due to COVID-19.
- Determine appropriate antibiotics based on microbiology and pharmacology.
- Analyze causes of voiding dysfunction and determine appropriate management strategies.
- Apply practical tips to address common ENT presentations in primary care.
- Recognize eye conditions that require ophthalmology referral.
- Identify commonly missed musculoskeletal conditions.
- Evaluate dyslexia and learning disabilities.

We are putting 2020 behind us and excited that Hot Topics in Pediatrics is back – we missed you! As you prepare to attend our live event, please know that enhanced health and safety measures are in place for your protection.

Program Chairs

Shiva Kalidindi, MD, MPH, MS (Ed.), FAAP
Jessica Tomaszewski, MD, FAAP
Robert S. Walter, MD, FAAP
Thursday, July 22, 2021

7 a.m.  Continental Breakfast/Registration/Exhibits

7:30 a.m.  Top 5 Articles of 2021 – Shiva Kalidindi, MD, MPH, MS (Ed.); Jessica Tomaszewski, MD, Robert S. Walter, MD

RUMBLY TUMMBLY – IT’S NOT JUST POOH

8:15 a.m.  Regurgitation: Something Old or New? Reflux in 2021 – Carlo Di Lorenzo, MD

8:45 a.m.  Making Meals Matter: How to Stop Catering to Picky Eaters – Colleen C. Cullinan, PhD

9:15 a.m.  Functional GI: Mind Over Matter? – Carlo Di Lorenzo, MD

9:45 a.m.  Myths in GI – Carlo Di Lorenzo, MD

10:15 a.m.  Q&A

10:30 a.m.  Break/Exhibits

PEDIATRICS 2.0 – OPTIMIZING ADOLESCENT CARE

11 a.m.  More Than Alphabet Soup – Understanding LGBTQIA Youth – Lonna P. Gordon, MD, PharmD

11:30 a.m.  HIV Pre-Exposure Prophylaxis (PrEP): PrEPing to Prevent HIV in an ERA of Rising STD Cases – Neil Rellosa, MD

Noon  Getting the T – A Transgender Care Primer – Lonna P. Gordon, MD, PharmD

12:30 p.m.  Q&A

12:45 p.m.  Adjourn

Friday, July 23, 2021

7 a.m.  Continental Breakfast/Registration/Exhibits

THE GREAT PANDEMIC: LOOKING BACK AND AHEAD

7:30 a.m.  Pandemic Overview – Kenneth Alexander, MD, PhD

8 a.m.  MIS-C Plus Cardiac Long Hauler Issues – Neil Rellosa, MD

8:30 a.m.  Anxiety and Stress in the Age of a Pandemic – Colleen C. Cullinan, PhD

9 a.m.  Primary Care Changes Due to COVID-19 – William McNett, MD

9:30 a.m.  Q&A

9:45 a.m.  Break/Exhibits

BRAIN MATTERS

10:15 a.m.  Migraine Co-Management: Team Pediatrics and Neurology – Marc DiSabella, DO

10:45 a.m.  Intractable and Impossible Headache Disorders – Marc DiSabella, DO

11:15 a.m.  Decoding Dyslexia and Spelling Out Specific Learning Disabilities – Colleen C. Cullinan, PhD

11:45 a.m.  Neurology: Tips and Tricks of the Trade – Marc DiSabella, DO

12:15 p.m.  Q&A

12:30 p.m.  Adjourn

Saturday, July 24, 2021

7 a.m.  Continental Breakfast/Registration/Exhibits

SURGICAL INSIGHTS FOR PRIMARY CARE

7:30 a.m.  Voiding Dysfunction: The Three B’s: Brain, Bladder, Bowels – Pamela Ellisworth, MD

8 a.m.  Boogers, Wax, Snot, Beads, Cough, and Other ENT Pearls for Primary Care – Julie L. Wei, MD

8:30 a.m.  Don’t “Let it Go”: Eye Conditions to Refer to Pediatric Ophthalmology – Kelly Hodson Unkrich, MD

9 a.m.  Commonly Missed Orthopedic Issues – Margaret Baldwin, MD

9:30 a.m.  Q&A

9:45 a.m.  Break/Exhibits and Hotel Check Out

TRICKS OF THE TRADE

10:15 a.m.  Booby Traps: Optimizing Breastfeeding Success – Jessica Tomaszewski, MD

10:45 a.m.  Pediatricians on Social Media: The Good, The Bad, and The Ugly – Elizabeth Donner, MD

11:15 a.m.  Bugs & Drugs: AKA Empiric Use of Antibiotics Based on Microbiology & Pharmacology – Neil Rellosa, MD

11:45 a.m.  Seven Things You Must Ask at Every Teen Well Visit – Robert S. Walter, MD

12:15 p.m.  Q&A

12:30 p.m.  Adjourn

Schedule and speakers are subject to change
Accreditation
Nemours is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nemours designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC) Credit
Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 13.0 MOC points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

Commercial Support
This course may be supported in part by educational grants in accordance with ACCME Standards. At the time of this printing, a list of commercial supporters was not available. Appropriate acknowledgement will be given to all exhibitors and supporters in conference materials and at the time of the meeting.

Disclosure Policy
As a provider accredited by the ACCME, Nemours must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty involved in the development of CME content are required to disclose to Nemours their relevant financial relationships. An individual has a relevant financial relationship if he/she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. Nemours has policies in place to resolve potential financial conflicts of interest. Relevant financial relationships will be disclosed to the activity audience.

Americans With Disabilities Act
In accordance with the Americans with Disabilities Act, Nemours will provide modifications in teaching methodologies to accommodate individual needs. To request disability accommodations, contact the Office of Continuing Medical Education at least 15 days in advance of the program at (407) 414-2679.

Registration
Advance registration is required and should be received by July 1, 2021. All registrations received by this date will be confirmed by email.

Fees
The registration fee is $600 for physicians, $500 for nurses and allied health professionals and $375 for students and residents with a letter from their program director. This fee includes all course materials, continental breakfast and refreshments at breaks. A $50 discount will be offered for registrations received before April 1, 2021. Register at www.hotopicsinpediatrics.org.

Refunds
A refund, less a $100 processing fee, will be given for WRITTEN cancellations received before July 1, 2021. No refunds will be given after this date. Nemours is not responsible for any cancellation or change fees assessed by hotels, airlines or travel agencies.

Hotel Information
Victorian elegance meets modern sophistication at this lavish Disney Resort hotel. Unwind outdoors, indulge in a luxurious massage and watch evening fireworks light up the sky over Cinderella Castle. Just one stop to Magic Kingdom park on the complimentary Resort Monorail, this timeless, Victorian-style marvel evokes Palm Beach’s golden era.

- Beautifully appointed rooms and incredible swimming pools highlight this luxury hotel experience.
- Complimentary scheduled transportation to all Walt Disney World® Resort theme parks.

Single or double occupancy rooms are available at the conference rate of $275 per night (plus tax). A great rate for one of Disney’s exquisite resorts! Hotel reservations may be made through our website, www.hotopicsinpediatrics.org or by calling the Walt Disney World® Resort, (407) 939-4686. Please mention Nemours and the name of the conference (Hot Topics in Pediatrics) to obtain the group discount.

The deadline for hotel reservations is June 21, 2021. However, the hotel may fill well before the deadline, so please reserve early. (If you prefer to reserve a room at a different Walt Disney World® Resort hotel, you can also do that through the phone number above.)

As you prepare to visit Walt Disney World®, please know that enhanced health and safety measures are in place for your protection. Strict protocols in keeping with guidance from health authorities, such as the Centers for Disease Control and Prevention (CDC) and appropriate government agencies are in place throughout all of Disney properties.

KNOW BEFORE YOU GO:
- Certain parks, hotels, restaurants and other offerings may be modified or unavailable, limited in capacity and subject to limited availability or closure, and park admission and offerings are not guaranteed. For more information, visit https://disneyworld.disney.go.com/experience-updates/.
- To enter a park, both a park reservation and valid admission for the same park on the same date are required for guests ages 3 and up. For more information and to make required park reservations, visit: https://disneyworld.disney.go.com/experience-updates/park-reservations/.

Discount Disney Tickets
Information on specially priced tickets to the Walt Disney World® Resort Theme Parks is available through our website - www.hotopicsinpediatrics.org. Please note, BOTH a reservation and valid ticket are required for admission to the parks.

Transportation
Disney’s Magical Express® Transportation, a complimentary shuttle service, will take you from the airport directly to your Walt Disney World® Resort. Please call (407) 827-6777 to book your Disney’s Magical Express® Transportation reservation. Luggage delivery for those arriving to and departing from the airport and Resort Airline Check-In Service is no longer available.

To ensure seamless service, please make your Disney’s Magical Express® Transportation reservation at least 30 days in advance of your arrival date.

For More Information
Contact Ivy Gato-Gomez, Nemours Office of Continuing Medical Education, at (407) 414-2679 or ivy.gato-gomez@nemours.org.
PROGRAM CHAIRS/MODERATORS

Shiva Kalidindi, MD, MPH, MS (Ed.), FAAP
Professor of Pediatrics
University of Central Florida College of Medicine
Medical Director
Nemours Institute for Clinical Excellence – Florida
Associate Director – Education
Pediatric Emergency Medicine
Nemours Children's Hospital
Orlando, Florida

Jessica Tomaszewski, MD, FAAP
Clinical Assistant Professor of Pediatrics
Sidney Kimmel Medical College at Thomas Jefferson University
Hospitalist, General Pediatrics
Nemours/Alfred I. duPont Hospital for Children
Wilmington, Delaware

Robert S. Walter, MD, FAAP
Clinical Associate Professor of Pediatrics
Sidney Kimmel Medical College at Thomas Jefferson University
Community Pediatrician
Wilmington, Delaware

Colleen C. Cullinan, PhD
Pediatric Psychologist
Division of Behavioral Health
Nemours/Alfred I. duPont Hospital for Children
Wilmington, Delaware

Carlo Di Lorenzo, MD
Professor of Pediatrics
The Ohio State University
Chief, Division of Pediatric Gastroenterology
Nationwide Children's Hospital
Columbus, Ohio

Marc DiSabella, DO
Assistant Professor of Pediatrics and Child Neurology
George Washington University School of Medicine & Health Sciences
Program Director, Child Neurology Fellowship
Director, Headache Program
Medical Director, Neurology Education
Children's National Hospital
Washington, D.C.

Elizabeth Donner, MD, FAAP
Pediatric Hospitalist
Division of Pediatric Hospital Medicine
Nemours Children's Hospital
Orlando, Florida

Pamela Ellsworth, MD
Division Chief, Pediatric Urology
Nemours Children's Hospital
Professor of Urology
University of Central Florida College of Medicine
Orlando, Florida

William McNett, MD
Assistant Professor, Clinical Education Track, Pediatrics
Thomas Jefferson University
Division Chief, Primary Care
Nemours Pediatrics
Philadelphia, Pennsylvania

Neil Rellosa, MD
HIV Program Director/Attending Physician
Division of Infectious Diseases
