NEMOURS CHILDREN’S HEALTH
Welcome

Note From Program Chairs
Welcome to another engaging offering of Hot Topics in Pediatrics. We are excited to bring you a new, up-to-date, in-person program!

This year is our eighth annual conference! We will feature national leaders in the field of pediatrics for discussions on some of the hottest and most useful topics for pediatric providers in primary care. Our topics will range from controversies to interactive educational opportunities.

Hot Topics in Pediatrics will help you stay current with today’s important pediatrics issues and allow you to implement strategies for practice change.

Looking forward to seeing you at Hot Topics in Pediatrics 2023!

Shiva Kalidindi, MD, MPH, MEd, FAAP
Jessica Tomaszewski, MD
Robert S. Walter, MD, FAAP

Learning Objectives
At the conclusion of this program, participants should be able to develop differential diagnoses and assess and manage clinical issues that occur in the primary care office, including, but not limited to:

• Communicate the role of genetics and newborn screening to families.
• Discuss updates on common conditions seen in child neurology clinical practice including dysautonomia, migraine, post COVID-19 syndrome and joint hypermobility.
• Develop basic management plan for a patient presenting with headache and/or orthostatic symptoms regardless of etiology.
• Describe the debate about the influence of genetic testing on long-term management for patients and families.
• Examine patients with suspected concussion and provide them with an explicit management plan to return to school and physical activity.

New for 2023! Hands-On Learning
Optional ACCREDITED Hands-On Lunch Workshops
• Behavioral Health Master Class
• Simulation Acute Care — Office Preparedness and Procedures
Limited seating available. $70 per workshop, includes boxed lunch and 1.0 AMA PRA Category 1 Credit™.

Diabetes Device Touch and Feel
Interact with diabetes educators and learn about the newest diabetes devices available for your patients during the Friday morning break.

Register online at HotTopicsInPediatrics.org
Hot Topics in Pediatrics
July 20–22, 2023

Disney’s Grand Floridian Resort and Spa at the Walt Disney World® Resort Lake Buena Vista, Florida

*A in order to qualify for the Students/Residents/Fellows rate, a letter from your accredited academic institution is required. The letter must be submitted from your program director or admissions office, and state that you are currently enrolled as a student. The letter must be on official letterhead and submitted via email to admin@hottopicsinpediatrics.org.

A credit card is required for payment. Visa, MasterCard, American Express and Discover cards accepted.

Refunds

A refund, less a $100 processing fee, will be given for WRITTEN cancellations received before July 1, 2023. No refunds will be given after this date. Nemours Children’s is not responsible for any cancellation or change fees assessed by hotels, airlines or travel agencies.

Note About COVID-19 Safety Precautions

Safety is our first priority. We request that all in-person attendees be fully vaccinated and agree to follow all federal, state and local rules and regulations in regard to the COVID-19 pandemic.

NEMOURS CHILDREN’S HEALTH Well Beyond Medicine®
HOT TOPICS IN PEDIATRICS

General Information

Accreditation

Nemours Children's Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nemours Children's designates this live activity for a maximum of 15.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC) Credit

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn up to 15.50 MOC points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

Commercial Support

This course may be supported in part by educational grants in accordance with ACCME Standards. At the time of this printing, a list of commercial supporters was not available. Appropriate acknowledgement will be given to all exhibitors and supporters in conference materials and at the time of the meeting.

Disclosure Policy

As a provider accredited by the ACCME, Nemours Children’s must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty involved in the development of CME content are required to disclose their financial relationships with ineligible entities. An individual has a relevant financial relationship if they have a financial relationship in any amount occurring in the last 24 months with an ineligible company whose products or services are discussed in the CME activity content over which the individual has control. Nemours Children’s has policies/procedures in place to mitigate relevant financial relationships and their impact on the educational content. All relevant financial relationships will be disclosed to the activity audience and mitigated.

Americans with Disabilities Act

In accordance with the Americans with Disabilities Act, Nemours Children’s will provide modifications in teaching methodologies to accommodate individual needs. To request disability accommodations, contact the Office of Continuing Medical Education at least 15 days in advance of the program at 407.414.2679.

For More Information

Please email the Nemours Office of CME at admin@hottopicsinpediatrics.org.

To learn more or to register, visit HotTopicsinPediatrics.org or scan the QR code.

Hotel Information

Victorian elegance meets modern sophistication at this lavish Disney Resort hotel. Unwind outdoors, indulge in a luxurious massage and watch evening fireworks light up the sky over Cinderella’s Castle. Just one stop to the Magic Kingdom park on the complimentary Resort Monorail, this timeless Victorian-style marvel evokes Palm Beach’s golden era.

Hotel Reservations

Single or double occupancy rooms are available at the conference rate of $290 per night (plus tax). A great rate for one of Disney’s exquisite resorts! Hotel reservations may be made through our website at HotTopicsInPediatrics.org or by calling the Walt Disney World® Resort, 407.939.4686. Please mention Nemours Children’s and the name of the conference (Hot Topics in Pediatrics) to obtain the group discount.

The deadline for reservations is June 19, 2023. However, the hotel often sells out well before the conference date. Please reserve your hotel room and make your conference registration early.

Discount Disney Tickets

Information on specially priced tickets to the Walt Disney World® Resort Theme Parks is available through our website at HotTopicsInPediatrics.org. Please note, BOTH a reservation and valid ticket are required for admission to the parks.
