Hot Topics
IN PEDIATRICS

July 27-29, 2017

Disney's Grand Floridian Resort & Spa at the
Walt Disney World® Resort
Lake Buena Vista, Florida

Nemours®

Children's Health System

Our third annual *Hot Topics in Pediatrics* conference will be held July 27-29, 2017 at Disney's Grand Floridian Resort & Spa at the *Walt Disney World*® Resort in Lake Buena Vista, Florida. The conference will feature national leaders in the field of pediatrics discussing some of the hottest and most controversial topics for providers caring for children in the primary care setting. From controversies to hands-on educational offerings, *Hot Topics in Pediatrics* will help you to stay current with the important issues of our times and implement strategies for practice change.

Topics including infections, vaccines, pediatric and adolescent gynecology, primary care for medically complex children, GI issues, headaches, seizures, vision screening and pediatric cardiac issues (and many more), will be presented in brief (20-30) minute presentations by a topic expert, with plenty of time for one-to-one discussion with speakers, and opportunities for hands-on workshops, case-based learning and debates on controversial clinical topics.

AGAIN THIS YEAR

- An opportunity to earn MOC points in the American Board of Pediatrics (ABP) Maintenance of Certification program.
- Nemours is accredited by the Florida Board of Nursing to offer nursing contact hours (Provider #50-1428). Application to offer nursing contact hours will be made.
- Application will be made to the American Academy of Family Physicians for prescribed credits for this conference.

As applications are approved, our website (www.HotTopicsinPediatrics.org) will be updated.

A conference has never been so much fun! Staying at the *Walt Disney World*® Resort gives you plenty of time to learn, relax and enjoy theme park fun in sunny Florida with your family and friends.

We hope that you will be able to join us for *Hot Topics in Pediatrics*!

PROGRAM CHAIRS

Shiva Kalidindi, MD, MPH, MS (Ed.)

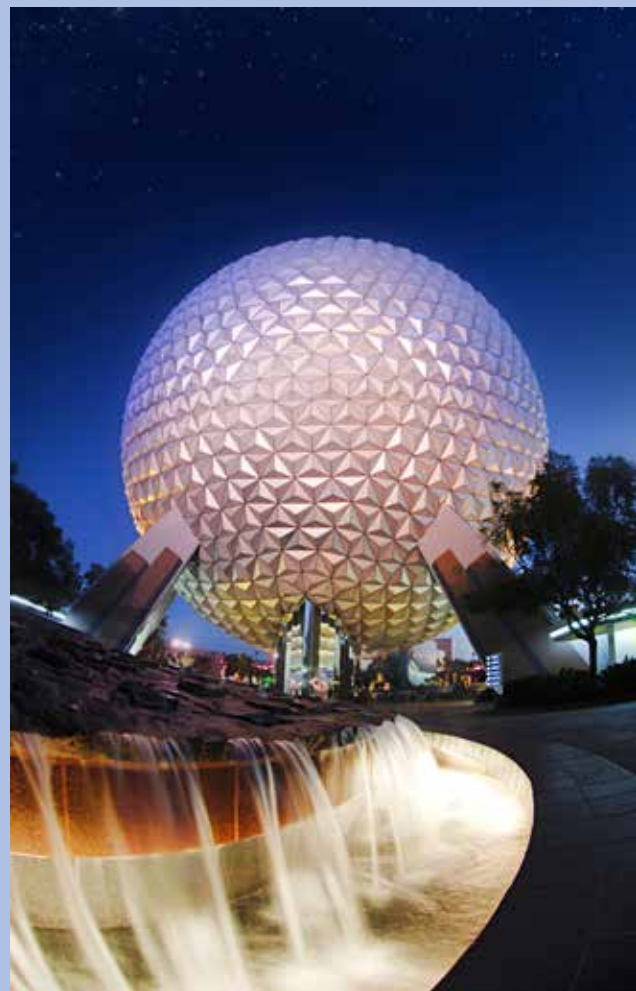

Jessica Tomaszewski, MD, FAAP

Robert S. Walter, MD, FAAP

OBJECTIVES

At the conclusion of this program, participants should be able to develop a differential diagnosis for, assess and manage clinical issues that occur in the primary care office, including:

- Develop a differential diagnosis and management plan for the child presenting with headaches.
- Identify the key clinical features that distinguish between common spells in pediatric patients.
- Identify subgroups of patients that require cardiovascular screening.
- Implement proper orthostatic vital signs to make an initial diagnosis of the pediatric patient presenting with dizziness and syncope.
- Differentiate benign intermittent febrile illnesses from periodic fever syndromes.
- Counsel patients for their eligibility for age- or risk-related vaccines.
- Educate patients with chronic pain and their families about the triggers for pain.
- Recognize emerging infections when they appear in your practice.
- Be aware of and look for possible signs of sensorineural hearing loss in early childhood.

©Disney

CONFERENCE SCHEDULE

HOT TOPICS IN PEDIATRICS

THURSDAY – July 27, 2017

7:00 a.m. Breakfast/registration/exhibits
7:30 a.m. Top 5 Articles of 2017 – *Shiva Kalidindi, MD, MPH, MS (Ed.); James A. Stockman III, MD; Robert S. Walter, MD, FAAP*

INFECTIOUS DISEASES Moderator – *Robert S. Walter, MD, FAAP*

8:10 a.m. Prolonged and Recurrent Fevers in Children – *Gary S. Marshall, MD*
8:40 a.m. Emerging Infections – *Kenneth A. Alexander, MD, PhD*
9:10 a.m. Vaccine Update 2017 – *Gary S. Marshall, MD*
9:40 a.m. Q & A

9:55 a.m. Break/Exhibits

10:10 a.m. **HOT CONTROVERSY:** What Do You Do with the Family That Won't Vaccinate Their Kids? – *Kenneth A. Alexander, MD, PhD; Gary S. Marshall, MD*
10:40 a.m. Pediatric and Adolescent Gynecology A to Z – *Beth Schwartz, MD*
11:55 a.m. Clinical Issues: The Best of Question of the Week, Part 1 – *James A. Stockman III, MD*

12:40 p.m. Concurrent Sessions

- Primary Care for Medically Complex Children – *Catherine M. Soprano, MD, FAAP; Moderator – Pamela H. Arn, MD*
- LARC Demonstration and Discussion – *Beth Schwartz, MD*
- Office Procedures (Simulation-Based) – *Shiva Kalidindi, MD, MPH, MS (Ed.); Kevin Brito, EMT-P, CICP; Michael Kirk, PMD; Thomas Lacy, MD*
- Fluoride Demonstration/Vision Screener Demonstration – *Airaj F. Fasiuddin, MD; Robert S. Walter, MD, FAAP*

1:30 p.m. Adjourn

FRIDAY – July 28, 2017

7:00 a.m. Breakfast/registration/exhibits

GASTROENTEROLOGY Moderator – *Robert S. Walter, MD, FAAP*

7:30 a.m. Dyspeptic Teen – *Carlo Di Lorenzo, MD*
8:00 a.m. IBD Update – *James P. Franciosi, MD, MS, MSCE, FAAP*
8:30 a.m. Fussy Gassy Infant – *Carlo Di Lorenzo, MD*
9:00 a.m. Q & A
9:15 a.m. **HOT CONTROVERSY:** Should We Use PPIs in Infants? – *Carlo Di Lorenzo, MD; James P. Franciosi, MD, MS, MSCE, FAAP*

CONCURRENT SESSIONS

We hope that you will join us for our concurrent sessions. Please note there is no additional charge to attend a concurrent session, but we are asking attendees to pre-register. For concurrent sessions which are hands-on, attendance will be limited to provide an optimal experience for attendees. Please contact Karen Bidus (kbidus@nemours.org) with any questions.

Primary Care for Medically Complex Children (Thursday only)

It can be difficult to know what is important to discuss with patients who see multiple medical providers and what a primary care clinician's role is with a patient who has many specialists involved. We will discuss coordination of care of multiple subspecialists and how to advocate for your medically complex patient with those subspecialists. We will also discuss working with home care companies, home nursing agencies and obtaining durable medical equipment for patients at home.

LARC (Long-Acting Reversible Contraception) Demonstration and Discussion (Thursday and Friday)

The workshop will be an introduction to hormonal implant and IUD equipment and demonstrations of insertion and removal. You will also learn more about counseling regarding these methods, how to address and troubleshoot concerns, side effects, and complications, as well as tips for coding and billing.

Note: While there will be some hands-on practice for implant and IUD insertion and removal, the goal of this workshop is to increase familiarity and comfort with these methods. Due to time constraints as well as industry and hospital regulations, the training provided will not constitute certification for placement of these methods.

9:45 a.m. Break/Exhibits

10:00 a.m. Clinical Issues: The Best of Question of the Week, Part 2 – *James A. Stockman III, MD*

NEUROLOGY Moderator – *Shiva Kalidindi, MD, MPH, MS (Ed.)*

10:45 a.m. Headache – *Marc DiSabella, DO*
11:15 a.m. Chronic Pain Management – *Catherine M. Soprano, MD, FAAP*
11:45 a.m. Seizures and Spells – *Marc DiSabella, DO*
12:15 p.m. Q & A

12:30 p.m. Concurrent Sessions

- Febrile Infant Workup – *Adriana Cadilla, MD, FAAP; Moderator – Pamela H. Arn, MD*
- LARC Demonstration and Discussion – *Beth I. Schwartz, MD*
- Office Procedures (Simulation-Based) – *Shiva Kalidindi, MD, MPH, MS (Ed.); Kevin Brito, EMT-P, CICP; Michael Kirk, PMD; Thomas Lacy, MD*
- Fluoride Demonstration/Vision Screener Demonstration – *Airaj F. Fasiuddin, MD; Robert S. Walter, MD, FAAP*

1:30 p.m. Adjourn

SATURDAY – July 29, 2017

7:00 a.m. Continental Breakfast/Registration

SURGICAL POTPOURRI Moderator – *Thomas Lacy, MD*

7:30 a.m. Ortho Common Missed Diagnoses – *John F. Lovejoy, MD*
8:00 a.m. Pediatric Sensorineural Hearing Loss: Gaps in Diagnosis, Treatment and Opportunities – *Julie L. Wei, MD, FAAP*
8:30 a.m. Vision Screening and Early Detection of Amblyopia – *Airaj F. Fasiuddin, MD*
9:00 a.m. Q & A
9:15 a.m. Clinical Issues: The Best of Question of the Week, Part 3 – *James A. Stockman III, MD*

10:00 a.m. Break (and check out of hotel if necessary)

CARDIOLOGY Moderator – *Shiva Kalidindi, MD, MPH, MS (Ed.)*

10:30 a.m. Integrating Cardiovascular Guidelines into Your Practice: A Case-Based Discussion – *Gul H. Dadlani, MD*
11:00 a.m. Orthostatic Intolerance: Subtypes and Differences – *Bahram Kakavand, MD, FACC, FHRS, CEPS*
11:30 a.m. Pediatric EKGs – Which Ones Should I Worry About? – *Gul H. Dadlani, MD*
noon Q & A
12:15 p.m. Adjourn

Office Procedures (Thursday and Friday)

Learn how to perform and bill for minor office procedures. This workshop will consist of hands-on practice of several minor office procedures including foreign body removal (ear, nose, skin), nail trephination, molluscum removal, suturing of minor lacerations and splinting. You will also experience high fidelity simulation and review your preparedness in case of office emergencies.

Fluoride Application and Vision Screening Demonstration (Thursday and Friday)

A hands-on practical session of both Fluoride varnishing in the office for children one to three years of age and vision screening, using a handheld device, for children under four and older children who cannot use the wall vision chart as per the new AAP guidelines. Attendees will actually varnish each other's teeth (if willing) and practice vision testing on each other, with handouts and a discussion on insurance coverage issues and pediatric populations.

Febrile Infant Workup (Friday only)

Encounters for the evaluation of a febrile infant are frequent. What to order? CBC, CRP, urinalysis, urine culture, blood culture, chest xray, lumbar puncture, respiratory PCR, stool study, newer tests? We will review and discuss the latest literature regarding the assessment of a febrile infant and provide you with evidence-based reasoning for recommended approaches.

GENERAL INFORMATION

Accreditation

Nemours is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nemours designates this live activity for a maximum of 15.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC) Credit

Successful completion of this CME activity, which includes participation in the activity, with individual assessment of the participant and feedback to the participant, enables the participant to earn 12 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

In addition, each day will include a number of cases that are part of the American Board of Pediatrics Question of the Week (QOW) series. (These sessions are titled *Clinical Issues: The Best of Question of the Week*.) Attendees can sign onto the ABP website at their leisure, answer the questions for each case discussed, and be well on their way to completing the 20 QOW vignettes that are necessary to add 10 more MOC points to their transcript.

Commercial Support

This course may be supported in part by educational grants in accordance with ACCME Standards. At the time of this printing, a list of commercial supporters was not available. Appropriate acknowledgement will be given to all exhibitors and supporters in conference materials and at the time of the meeting.

Disclosure Policy

As a provider accredited by the ACCME, Nemours must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty involved in the development of CME content are required to disclose to Nemours their relevant financial relationships. An individual has a relevant financial relationship if he/she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. Nemours has policies in place to resolve potential financial conflicts of interest. Relevant financial relationships will be disclosed to the activity audience.

Americans with Disabilities Act

In accordance with the Americans with Disabilities Act, Nemours will provide modifications in teaching methodologies to accommodate individual needs. To request disability accommodations, contact the Office of Continuing Medical Education at least 15 days in advance of the program at 302-651-6750.

Registration

Advance registration is required and should be received by July 1, 2017. All registrations received by this date will be confirmed by e-mail.

Fees

The registration fee is \$550 for physicians, \$450 for nurses and allied health professional and \$375 for students and residents with a letter from their program director. This fee includes all course materials, continental breakfast and refreshments at breaks.

Refunds

A refund less a \$100 processing fee will be given for WRITTEN cancellations received before July 1, 2017. No refunds will be given after this date. The hospital is not responsible for any cancellation or change fees assessed by hotels, airlines or travel agencies.

Hotel Information

A block of rooms has been reserved at Disney's Grand Floridian Resort & Spa at the Walt Disney World® Resort. Victorian elegance meets modern sophistication at this lavish Disney Resort hotel. Relax in the sumptuous lobby as the live orchestra plays ragtime, jazz and popular Disney tunes. Unwind outdoors, indulge in a luxurious massage and watch evening fireworks light up the sky over Cinderella Castle. Just one stop to Magic Kingdom park on the complimentary Resort Monorail, this timeless Victorian-style marvel evokes Palm Beach's golden era.

- beautifully appointed rooms and incredible swimming pools highlight this luxury hotel experience.
- complimentary scheduled transportation to all Walt Disney World® Resort theme parks.
- complimentary luggage service directly from the airplane to your hotel room.

Single or double rooms are available at the conference rate of \$209 per night (plus tax.) A great rate for one of Disney's most lavish resorts! Hotel reservations may be made through our website, www.HotTopicsinPediatrics.org or by calling the Walt Disney World® Resort, 407-939-4686. Please mention Nemours and the name of the conference (Hot Topics in Pediatrics) to obtain the group discount.

The deadline for hotel reservations is June 27, 2017. However, the hotel may fill well before the deadline, so please reserve early. (If you prefer to reserve a room at a different Walt Disney World® Resort hotel, you can also do that through the phone number above.)

Discount Disney Tickets

Information on specially priced tickets to the Walt Disney World® Resort Theme Parks is available through our website – www.HotTopicsinPediatrics.org.

Transportation

Disney's Magical Express® Transportation, a complimentary shuttle and luggage delivery service, will take you from the airport directly to your Walt Disney World® Resort hotel. Please call 407-827-6777 to book your Disney's Magical Express® Transportation reservation.

To ensure seamless service, please make your Disney's Magical Express® Transportation reservation at least 30 days in advance of your arrival date.

REGISTRATION FORM
Hot Topics in Pediatrics
July 27-29, 2017
REGISTRATION DEADLINE: July 1, 2017

Register with credit card online at www.PedsUniversity.org

Name _____ Title/Degree _____

Name as it should appear on your name badge _____

Employer/Practice _____

Address _____

City/State/Zip _____

Telephone Number _____ E-mail Address _____ Profession / Specialty _____

FEES: Full payment is due with registration:

\$550 for physicians \$450 for nurses and allied health professionals \$375 for students and residents with letter from Program Director

Concurrent Sessions

Thursday, July 27, 2017 – Please number the sessions in order of preference.

- _____ Session A: **Primary Care for Medically Complex Children**
- _____ Session B: **LARC Demonstration and Discussion**
- _____ Session C: **Office Procedures (Simulation-Based)**
- _____ Session D: **Fluoride Demonstration/Vision Screener Demonstration**

Friday, July 28, 2017 – Please number the sessions in order of preference.

- _____ Session A: **Febrile Infant Workup**
- _____ Session B: **LARC Demonstration and Discussion**
- _____ Session C: **Office Procedures (Simulation-Based)**
- _____ Session D: **Fluoride Demonstration/Vision Screener Demonstration**

Indicate method of payment:

Register online with a credit card at www.PedsUniversity.org
(MasterCard, VISA, American Express, or Discover Card)

OR

Enclosed is my check for \$_____ payable to Nemours
Please include name of registrant on the memo line of the check.

Mail check and completed registration form to:
